

## HEALTH & SAFETY GUIDELINES

Our team is committed to creating an event experience where our customers, partners, and employees can safely and effectively conduct business. We are taking extra precautions, beyond those mandated by government and local authorities, to ensure your health and safety at WODC. Please plan accordingly and allow extra time when arriving at the show and making appointments with your customers.

**Please Note:** Face masks must be worn by all attendees at all times – no exceptions.

Read on to find out what health measures we have in place and how you too will play a role in moving business forward safely.
